NUMBER 44

## Home Boy Returned From South America To Talk Sunday Night At High School Auditorium

Sunday night, August 31, at the High school auditorium, Rev. J. C. Holden, a Boyd Chapel reared boy, son of Mr. and Mrs. J. A. Holden, will appear in an interesting talk on South America, and his experiences in that country as a missionary.

Rev. Holden has been two years in Garragosa, in the state of Boyaca, Colombia, S. A., as an independent missionary. He and his family have had some interesting experiences down there and since arriving in that country, a new son was born.

Rev. Holden has a moving picture outfit and in his talk Sunday night will use actual illustrations to tell his story.

One of the most unusual things about this man's return to his old home and friends, is that he brought a native of that mountain country back with him. This fellow is 26 years of age, and had never known what modern civilization was before. Rev. Holden tells many interesting things on this "boy". One thing is that he never saw a bath tub till he arrived in New York City. Up there he wanted to go down to the river for his bath, so the missionary had to do some teaching, telling him that folks do not expose themselves that way in the United States. Up in the hotel, the fellow was told to take his bath in the bath room. But he did not know how to get the water out. And was astonished to feel cold water and hot water coming from the same faucet. Another thing, he looked up the great canyon of buildings as he entered the avenues, and since they are so high up they seem to lean inward, so this frightened him. Then Holden has one on the man down in the subway travel.

Later—We have met the native Florantino Romero, and he is a very likeable man, pleasant, courteous, and appreciative.

So Sunday night, Rev. Holden, his little son and his native man will be on the rostrum to tell their strange stories. It will do any American good to go see a sample of the people with whom Mr. Holden has been living, and where still his wife and the other children are living and preaching while he is in this country. It is Mr. Holden's plan to return early in September or October.

Tell your associates about the

meeting Sunday night, and make your arrangements to be there about 8:00 o'clock.

### First Bale '41 Cotton Received Tuesday Ginned Farmers Gin

T. F. Campbell, who farms west of Hamlin in Fisher County, has the distinction of bringing the first bale of 1941 cotton to Hamlin. Mr. Campbell drove in late Tuesday, August 26, and on Wednesday, the Hamlin Farmers Co-operative Gin ginned their first 1941 bale.

The cotton was snapped and the load weighed 2210 pounds and the lint bale weighed 472 pounds and the seed 840 pounds. The gin purchased the seed at the rate of \$45 per ton and the cotton for \$16 per pound. Netting Mr. Campbell \$94.42.

As is the usual case, Hamlin merchants contributed to the first bale premium, the amount to be given later.

Cotton all around Hamlin is considered very fine, and if the bugs will not invade the fields too much a good yield will result.

### McGOUGHS VISIT OLD HOME

Mr. and Mrs. J. W. McGough spent part of last week in their old neighborhood near Eastland. They visited with Mrs. McGough's brothers, Ed Jones and wife at Gorman. Forty years ago Mr. McGough chanced to get some choice pecans and planted them on his old home place. Last week he measured one of the largest trees. It required a seven foot rope to reach around. The seed were planted in 1888. The modern plan has converted all those 1888 pecan trees into huge soft shells. It is a great record for one man to plant a seed and live to see such a large tree.

Only a few oldtimers remain down there now. Mr. McGough passed his 80th birthday last Wednesday, August 20. He is one of the few real pioneers, coming to Stonewall county to live in 1902, but was a cowboy in this Hamlin country in 1879-80. He can tell a lot of the old days.

Rev. and Mrs. Earnest Massey of Fort Worth came up Wednesday for a visit with old friends.

### Mrs. M. H. Jackson Died At Stamford

Mrs. M. H. Jackson, passed away at the Stamford Sanitarium Tuesday night at 8:30 o'clock, after an illness of about six weeks, and the past two in the hospital. Mr. and Mrs. Jackson resided a short distance northeast of Hamlin and were prominent in this community. They had been married 28 years, all of which time was spent in Jones Co.

Survivors are the husband, and her mother, Mrs. D. J. Meads, and two brothers, E. E. and J. L. Meads, all of Tuxedo.

Funeral services were held at the Tuxedo Baptist church Thursday afternoon at 3:00 o'clock, with Rev. J. Henry Littleton of Abilene, in charge.

Interment was in the Fairview Cemetery, near Tuxedo, by the Barrow Company of Hamlin.

### Baby Daughter Died After Short Illness

Little Brenda Sue Bond, daughter of Mr. and Mrs. Alvis Bond, died at the Stamford Sanitarium Tuesday evening at 8:30 o'clock. She was but two months and twenty six days of age. She was born May 30, 1941.

After Mr. Bond had returned home from the F. & M. Bank, where he works Tuesday evening, they saw that the little one was sick and they carried her to the sanitarium. Only a short while after arriving there she passed away.

Mrs. Bond is a daughter of Mr. and Mrs. O. L. Jenkins and Mr. Bond is a son of Mr. and Mrs. M. H. Bond all residing near Hamlin.

Funeral services were conducted at the First Baptist church, by the pastor, Rev. East, Wednesday at 4:00 P. M. The Barrow Company had charge and interment was in Fairview Cemetery.

### South American Display At Bryant-Link Store

Bryant-Link store has invited Hamlin's missionary, J. C. Holden, to make a display of some very interesting exhibits in their street window. These articles are hammocks, made by the wild Indian tribes of eastern Colombia, pottery, shawls, arrows, flags, and other articles of handicraft. This is a very interesting display and the public may view it Friday and Saturday at Bryant-Link Co.

Mrs. Ella McMillan of Tyler, came up last Saturday to spend an extended visit with her daughter, Mrs. Florence Morgan. Mrs. McMillan was accompanied by her son, W. R. McMillan and wife of Tyler and Mrs. O. R. Sutherland of Dallas.

### 431 Votes On Co. Jail 428 On Court House

It sounds almost unreasonable to announce that Jones County folks voted only a little over 400 ballots on an issue calling for bonds to be outstanding to the amount of \$60,000. Surely it is not because the good people of this county are unconcerned. Possibly it was because the sentiment rages to "let John do it." Maybe it was because it was somewhat of a rainy day. Anyway, For the Jail Bonds ..... 293 Against ..... 138 For the Court House .... 313 Against ..... 115 So that's that. Jones County will issue bonds and their value including the interest will be paid for out of taxes levied against all Jones County property. Bonds are mortgages on property, you know.

### General Rains Visit In Hamlin Community

Besides the heavy local downpour that Hamlin received last week, another real gully washer came early Wednesday morning and continued till well past the noon hour.

These rains have made every thing that grows green, still greener. Perhaps not many people have seen a more pleasant summer than has been passing. The recurring rains have kept a general cool atmosphere in all early mornings and nights, with but a short period of uncomfortable weather in the mid-days.

Heavy rains coming this late in August will set things right for a long growing fall. Maybe cotton producers will have to use lots of poison to control the pests, but cotton will grow on till frost, after the good rains.

Almost a record crop of feeds has been made and will likely result now that the late fields will be boosted to a full crop on ample moisture.

Wheat was a failure this year, owing to too much rain. Again wheat farmers will make a try on favorable wet soil this fall. Grains, feeds and livestock are possible in years of plenty of rain, and this area of West Texas has been fortunate on that line of late years.

Ray Willingham, Jr., who recently was in the Stamford Hospital from an operation, spent Tuesday and Wednesday with relatives and friends in Hamlin. Ray is in the bookkeeping service of the Oil Mill at Stamford.

Mr. and Mrs. L. B. Maberry and little son, James and Lee spent last week in El Paso, Carlsbad, and Roswell. L. B. slipped off from his family and fished at Elephant Butte Dam. Ask him to tell you his fish story.

Dr. and Mrs. Frank Johnson are here to visit their parents, Mr. and Mrs. W. F. Johnson and Mr. and Mrs. M. P. May and other relatives. Dr. Johnson has accepted a position in the State Hospital in Big Spring and will begin work there the first of September.

## SIGNING UP COWS TO MAKE THE CHEESE PLANT CERTAIN

Wednesday afternoon Otis Miller of Anson, was in Hamlin trying to stimulate this part of the county in getting behind the Jones County Dairy Co-operative movement.

Considerable progress has already been made. An organization has been perfected and a man, a Mr. E. E. Wade, who for 12 years was with the Craft Phoenix Cheese Corporation, and perhaps recently with the Loraine Co-operative Cheese Plant, has been employed to go among the farmers and get them to sign up their cows to assure the Jones Co. plant.

According to Mr. Miller, up to Wednesday noon of this week, 661 cows had been signed. 1500 cows are required to produce the amount of milk for the plant. Any cow that will average two gallons per day is eligible.

According to what we can find out, it will take \$6,000 worth of

stock from the people of Jones County to start the plant, and then they can secure a \$9,000 loan, all of which in time will be repaid to those taking stock as well as paying the company lending the money. Stock in the plant is figured at \$2.50 per cow. This whole set-up is similar to that of the cotton co-operative gins in the county. It takes a bit of money to get started and later the profits will return the outlay to the customers, and after that the plant will pay in proportion to the amount of dairy products delivered to it.

The Herald would suggest that each community in Jones County send a bunch of men to Loraine to see how they are profiting in that community. They will find a locality where nearly every home in the rural districts is well up and painted and prosperous looking. Maybe it is their dairying business that has done it.

## Hamlin Schools To Open Thursday, Sept. 4th.

The Hamlin Public Schools will begin registration Thursday morning, September 4th. The schedule for Thursday and Friday is as follows:

Thursday, 9:00 A. M.—All grade school pupils will assemble at the elementary school. They will be assigned to classrooms, issued books and given general instructions. They will be dismissed by noon until Monday, September 8th, when regular class work will begin.

The High school schedule is as follows for registrations:

Thursday—9:00 A. M.—Seniors. Thursday, 1:00 P. M.—Juniors. Friday, 9:00 A. M.—Sophomores. Friday, 1:00 P. M.—Freshmen.

The Hamlin schools will introduce the twelve year plan in all grades this year. This will not affect the classification of any students but will eliminate the fourth grade in our school next year. Those pupils in and above the fourth grade will automatically be advanced one grade in number. That is, the old

fourth grade will become the new fifth, the old fifth, the new sixth, and so on through the old eleventh which becomes the new twelfth.

Pupils below the fourth grade will of course have spent twelve years in our public schools by the time they finish. New arithmetic books and new spelling texts will be introduced in all the grades. This is in keeping with the twelve year plan.

High school students are asked to pay their fees at the time of registration. All students are charged \$1.00 library fee. Science students pay \$1.00 laboratory fee. Band students and typing students will be charged \$4.50 each semester, payable in advance. Vocational agriculture students will be charged \$1.00 annual fee.

Bus routes will be established by September 1st, and the buses will make their runs twice on September 4th and 5th to bring in and take home each group of students as they register.

### "Step For Britain" At Anson Pioneer Hall

Anson, August 26—Hamlin people are invited to come to Anson on the night of Labor Day, September 1 and "Step for Britain". The British War Relief committee is sponsoring a dance at Pioneer Hall with music by Rhea's orchestra of Stamford. The square dance, schottische, waltz and polkas (all European in origin) also modern and Spanish dances will be featured. Dancing will start promptly at 8:30 and every one who likes to dance is urged to attend. Balcony seats will be available for spectators, those who do not dance but want to contribute to the worthy cause.

Miss Mildred Smith returned to her home Sunday after visiting relatives a month in Dallas, Rockwall and Van, Texas.

Mrs. Henry Jackson joined her sister, Mrs. V. C. Short at Spur last Sunday for a trip to the "fishing grounds" in Colorado for two weeks.

Mr. and Mrs. John Hudson and Misses Doris and Dorothy and Roy and John Melvin visited Mr. and Mrs. R. C. Walker in Vernon Tuesday, and on Thursday went to Ballinger to visit Mr. and Mrs. O. G. Morrison. They are using rainy weather for their visiting round-up.

Mr. and Mrs. John Hudson received a message Wednesday that their son, Jack E. Hudson, who has been in the regular army 15 years, was promoted to Captain. This is a remarkable record for Hudson. This reminds Ye Editor that 15 years ago we were visiting at Ft. Sam Houston and saw Private Hudson, fresh from home.

Miss Annie Dell Tate, of Montgomery, Alabama, was a guest last week in the home of her aunts, Mrs. M. P. May and Mrs. J. W. Ezell.

Mrs. E. A. Reed, of Plainview, was a guest last week in the home of Mr. and Mrs. C. P. Amerson.

### Neinda Farmers To Hold Dairy Meeting

The Neinda Co-operative Gin is trying to have a meeting to discuss going into the Jones County Dairy Co-operative. This will be at the school house Monday night at 8:00 o'clock. Once before they meant to meet but were rained out. Remember, Monday night.

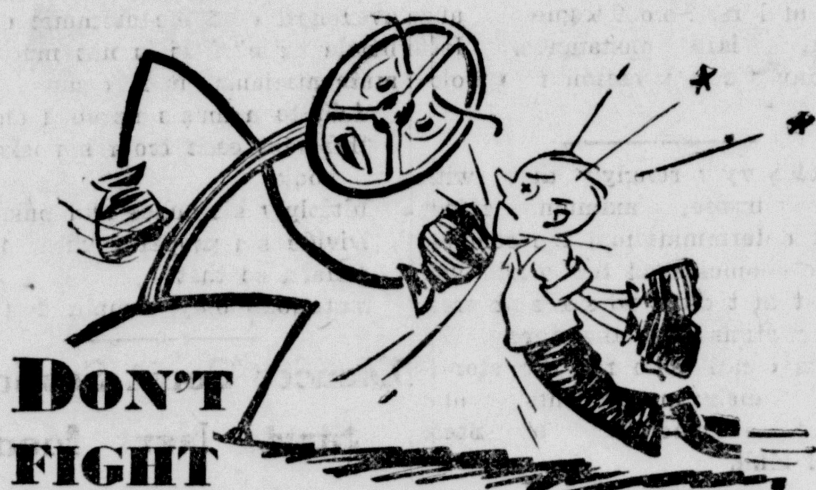

Mrs. H. L. Hicks, who is here with her two sons, ages 4 years and 2 months, from Oklahoma City, visiting her mother, Mrs. J. O. Parker on Jackson Avenue, received a message from her brother-in-law late Tuesday afternoon that her husband had been found dead from gun wounds in his automobile. Mrs. Hicks and her sister, Mrs. Charles G. Rodgers of Abilene, started by auto just after midnight for Oklahoma City. Burial took place Thursday. This young man had visited in Hamlin a number of times the past few years. His wife was formerly Reba Graham, whose mother now is Mrs. J. O. Parker.

Here's a tip. A certain long time subscriber to the Herald says that he wishes we could let out a secret. "Whisper . . . you know we hardly get to see the Herald till Blank, Blank, Blank, comes over and borrows it from us." That's hard luck on someone. The best way is to have one addressed to yourself and not bother to borrow one.

### Moving To California

The Herald is reliably informed that Ted Armstrong, who has been connected with the Texas Cement & Plaster Co. the past seven years, has been given a position as Board Plant Supt. in a new Gypsum Wall Board plant at Red Wood City, California. Mr. and Mrs. Armstrong and three children will make their home in Palo Alto.

This is another good family the state of California is getting from the Hamlin community. They will likely move by Sept. 10th.

### DON'T FIGHT Your Steering Wheel

YOU can't win the decision over a steering wheel that shakes and pulls out of your hands. You don't have an even chance with a car that steers hard. It wears you out soon after the first round and leaves plenty of openings for accidents and fatigue to get in a knockout blow.

If your car shimmies, wanders, steers hard or wears tires excessively then

there's something wrong with your alignment. Don't sacrifice your safety and comfort with such conditions. Drive into our station tomorrow. We have complete Bear System Alignment Equipment which fixes every misaligned condition of steering, axles and frame. Let us give you a free check-up. No obligation on your part. Have your wheels Bear-a-lined.

## THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

THAT

## THIS WEEK—

Somebody may puzzle about what this week really is.

"This Week" begins as far as this newspaper is concerned, on Friday of every week. A once-a-week newspaper has its beginning and ending all on the same day. This Friday the Herald is numbered 44, and at once we begin accumulating material for No. 45, which ends next week.

—T &amp; T—

## This Week Locally—

The most important thing in the present week was an election, an election to determine whether or not Jones County would build a new jail, whether Jones County folks wanted to repair and preserve their only court house, (let's say "County Office", for that is what the Court House really is).

Now from the count of votes in said election it would appear that the people care little about whether this county has a jail or court house. Out of a possible vote of 7,000 only about 500 votes were cast.

Oh yes, the bond issue carried,

and even if there had been but THREE votes cast and two of them were for the bonds, then the rest of the 6,997 (?) would then have had to pay off the bonds from year to year.

In West Hamlin, where there are perhaps 500 votes, only 17 were cast, 15 for and 2 against. Those 17 votes were secured only after a bit of soliciting, and reminding. All this goes to show that in this county many, in fact, most people, leave it to "John" and maybe he'll do what is needed.

This week is characterized by more rain, and still more rain. This country is certainly going through the rainy cycle. Nobody of recent years has even seen such a green and fresh August as that which is just this week passing on.

This week, and more definitely, August 26, the first bale of the 1941 cotton crop was hauled into Hamlin. It was ginned on August 27, and in this county, cotton is news. This week finds cotton in this section of West Texas doing exceedingly well. A bumper crop is in sight unless some kind of pesky pest gets too numerous and eats it "up".

—T &amp; T—

## Check Up On Your

### Herald Subscription

The month of August has passed and in compliance with our Auditing plan, we must show our subscribers if their subscription expires this month. Do not bother if you see no indication to that effect.

Our auditing system provides a little leeway, and you might get your paper a short while after the date paid for passes.

Several years ago for sentimental

reasons the Herald was mailed to about a half dozen older people as a "treat on the House," but circumstances have arrived to stop all free copies, and therefore we are sorry to state that after August passes, no free copies will be mailed or provided.

The Herald strives to meet every demand placed on a "Once-a-week" newspaper and nothing pleases Ye Editor better than to hear that the paper is appreciated. Tell your good news to us, and if it becomes necessary, tell us the sad things. No paper can rejoice with the happy quicker than your home paper, and the home paper is first to express its sympathy in times of sorrow.

Mrs. O. W. Rushing and daughter, Wynona, and Mrs. H. M. Phillips and daughter, Onita and daughter-in-law, Mrs. H. M. Phillips Jr., and little son Marcus, all of Stamford, came over Sunday to visit their parents and grandparents, Mr. and Mrs. W. A. Huling, who had just arrived from Corpus Christi.

Clifford Reynolds, Jr., who has been attending the summer term in N. T. S. T. C., Denton, is spending his vacation here with his parents, Mr. and Mrs. Clifford Reynolds.

T. L. Stapleton spent most of last week here with his daughter, Mrs. Van Huling, and family. He went on to Abilene to visit his sister, Mrs. J. E. Foote.

Mr. and Mrs. W. A. Huling of Corpus Christi came up last Friday to spend some of the summer with their children and old friends in Jones county. Their son, Otis Huling, went to Corpus Christi for his parents.

Miss Hazel Adkins who has been attending N. T. S. T. C. in Denton is spending her vacation here with her sister, Mrs. Delma Shelburne and family.

Misses Yvonne and Dorothy Leslie of Lubbock are visiting their aunt, Mrs. L. Meeks and family and other relatives this week.

Dr. and Mrs. Carl Rister returned to their home in Norman, Oklahoma, Monday after a visit here with their parents, Mr. and Mrs. M. P. May.

Miss Eleanor Temple has returned from Lamesa where she visited her brother, Earl Temple and family.

Miss Mary Boyd is at home from Baylor University to spend a vacation with her parents, Mr. and Mrs. W. L. Boyd. She will return to Baylor University for the opening of the fall term to do work on her Masters degree.

Mr. and Mrs. Wright Boyd, of Lamesa and Mr. and Mrs. Phil Sparkman, of Sweetwater, were here Sunday to visit their parents, Mr. and Mrs. W. L. Boyd and other relatives.

Mrs. Faye Thorpe who has been visiting in Columbus, Ohio, has returned after more than two months, and like nearly everyone, finds after all, Hamlin is about the best little city to live in.

Mrs. Duffield Smith and son Wade returned last week to their home in Dallas after a visit here with her parents, Mr. and Mrs. H. O. Castle. Another son, Duffield Jr., remained for a longer visit with his grandparents.

Mrs. H. L. Davis and daughter, Josephine. Misses Dorothy Giles and Meryle Van Vlack, of Big Spring, were week end guests of Mrs. Turner Bynum.

Mrs. E. T. McGee, of Dallas, and her sister, Mrs. Eva Golden, of Eden, came Thursday of last week to make their home in Hamlin. At present they are at the home of Mrs. McGee's daughter, Mrs. J. B. Eakin.

## A BABY SON

Mr. and Mrs. Lott Shell are parents of a son, Lott Lewis III, weight 7 pounds, born Friday morning at 5:00 o'clock at the Stamford hospital. Mrs. Shell and baby returned to their home in Hamlin Wednesday.

# 13,398 MILES ON 5-QUART FILL OF OIL

in the *Certified* DEATH VALLEY DESTRUCTION TEST

## Revolutionary New Oil tested against 5 other big brands. 6 new cars Destroyed to prove Economy and Protection.

The oil that reeled off an amazing 13,398 miles on one regular fill, in blazing Death Valley, was proved to be an oil of the N<sup>th</sup> degree—an oil of new high character... Hence its name:

### CONOCO N<sup>th</sup> MOTOR OIL

This dramatic test, supervised impartially and Officially Certified, was simple, yet harsh. 6 identical new cars were taken to Death Valley—where the heat hits record highs. 5 of these cars were each assigned a different widely-known, highly advertised motor oil. The sixth car used new Conoco N<sup>th</sup> motor oil.

Each car was broken-in on a brand assigned by lot. Then, one 5-quart fill of this same oil went into the crankcase—kept under lock. The cars were driven 57 miles an hour until oil failure cracked up each engine—utterly wrecked it! All of this under impartial official scrutiny, as was every step in the test, right on through the dramatic finish.

### Here is what happened

New Conoco N<sup>th</sup> oil went 13,398.8 miles. Not another oil came within 5,683 miles of this. One outstanding oil failed 8,268.6 miles sooner than new Conoco N<sup>th</sup> motor oil. So it out-distanced the five competing oils by 74% to 161%.

### Why this Astounding result was possible

New Conoco N<sup>th</sup> motor oil contains a Conoco-originated synthetic (U. S. Patent 2,218,132) called *Thialkene* inhibitor. An inhibitor in motor oil acts

pretty much as an inhibition acts on you. Inhibitions hold you back; police many actions. And so Conoco's *Thialkene* inhibitor polices Conoco N<sup>th</sup> oil... arrests pollution that otherwise comes from normal operation. And that's your aid against a dirty engine with inferior lubrication.

### Are you an OIL-PLATING "fan"?

If you are, more power to you! Don't for a minute feel let down, for Conoco N<sup>th</sup> also contains the famous synthetic that OIL-PLATES engines. OIL-PLATING comes from the magnet-like attraction that keeps it bonded to inner engine parts, so that it can't all quickly drain down to the crankcase—not while you're using Conoco N<sup>th</sup> oil. This same famed OIL-PLATING is still yours to guard against wear.

Because of OIL-PLATING and *Thialkene* inhibitor, one 5-quart fill of new Conoco N<sup>th</sup> oil went an astounding 13,398.8 miles. Of course, you'll never Death-Test your Conoco N<sup>th</sup> oil in sinister Death Valley, nor repeat any other proving-ground tortures. You'll still drain and refill at the intervals recommended by qualified authorities. But how you'll expect to stretch the distance before you ever add a quart, judging by this big fact:

5 heavily advertised oils in the Certified Death Valley Test were out-mileaged 74% to 161% by Conoco N<sup>th</sup> oil. Economy like that counts up into dollars! Change to N<sup>th</sup> oil today at Your Mileage Merchant's Conoco station. Continental Oil Co.—Pioneers in Bettering America's oil with Synthetics

**CONOCO N<sup>th</sup> MOTOR OIL**

**CERTIFIED** I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.

*H. M. Jackson*

Office: Corner Main and 5th

## CHURCH OF CHRIST

I am glad to be back in Hamlin after a summer in Colorado. I would like to see you at church. Come out and worship with us. As Heb. 10:25 teaches, let us not forsake the assembling of ourselves together to worship God. Have you ever heard of the arithmetic of a bottle of gin? It is not much of a mathematician, but it can: Add to a man's nervous troubles, Subtract cash from his pocket-book, Multiply his aches and pains, Divide his property with liquor sellers, so that Fractions only remain for him.

## District Court Session Starts Next Monday

The 104th District Court of Jones County, Texas, convenes, Monday, the first day of September, 1941, and will continue in session for six weeks. The Grand Jury will report September first at 9 o'clock A. M.; the following is a list of the grand jurors selected:

Ed Wilson, Anson.  
W. B. Hagens, Anson.  
L. E. Clyburn, Hawley.  
S. D. Knox, Abilene, Nugent Rt.  
W. A. Clark, Anson, Rt. 2.  
J. L. Hill, Jr., Stamford.  
Carl Ekdahl, Avoca.  
H. E. Herrisk, Lueders.  
J. C. Shamburger, Stamford.  
A. B. Carlton, Hamlin.  
G. E. Ashburn, Stamford, Rt. 2.  
A. A. Hackley, Hamlin.  
W. C. Spurgen, Merkel, Rt.  
Delma D. Shelburne, Hamlin.  
L. E. Fielder, Hamlin.  
J. H. Doty, Avoca.

## Miss Mary Neuman Becomes Bride of Mr. Jerry Tomanek

Miss Mary Neuman, daughter of Mr. and Mrs. Jim Neuman, of Tuxedo, and Mr. Jerry Tomanek, of Gilliland, Texas, were married last Thursday morning, August 21, at 10:00 o'clock at the home of the bride's parents in Tuxedo. The ceremony was read by the Rev. Dick O'Brien, pastor of the First Baptist church of Stamford.

The bride wore a dress of white jersey with large picture hat. Her accessories were white and she carried a bouquet of white asters. For something old she wore a gold cross set with rubies which had been in her mother's family for more than 100 years. The cross was worn by the bride's grandmother when she was married in Czechoslovakia and was also worn by her mother at her wedding.

Bridesmaids were Miss Rosie Neuman, sister of the bride and Miss Annie Tomanek. Both wore white frocks with garlands of white flowers in their hair and carried bouquets of white asters.

The groom's attendants were Jimmie Neuman and Ludmie Tomanek.

Guests were welcomed by Miss Frances Matecha who directed them to the bride's book.

At one o'clock a wedding dinner was served with Mrs. Rudolph Matecha, aunt of the bride, in charge. She was assisted in serving by relatives and friends of the bride. The table was decorated with white asters.

The couple left for their new home at Gilliland where Mr. Tomanek is engaged in farming. The furnishings of the home were a wedding gift from the bride's parents. Other lovely gifts were presented Mr. and Mrs. Tomanek.

Mrs. Tomanek was a member of the 1937 graduating class of the Stamford High School.

## Miss Anita Anderson Mr. Bill Davis Wed Thursday Morning

Miss Anita Anderson, daughter of Mr. and Mrs. V. V. Anderson, and Mr. Bill Davis, son of Mr. and Mrs. A. P. Davis, of Dallas, were married Thursday morning at 9:30 o'clock in the home of the bride's parents at the Shell Pipe Line Station near Hamlin. The ceremony was read by Minister Woodie Holden, of Abilene, as the couple stood before an improvised altar in the living room. On either side were vases of pink roses on small tables with white shaded floor lights forming the background.

Preceding the ceremony, Mrs. Stanley Jones of Rotan, sang "Oh Promise Me," and Mrs. Willard Marberry sang "I Love You Truly." Both were accompanied at the piano by Miss Edwina Gilbert who also played the traditional "Lohengrin" wedding march.

The bride wore a dress of soldier blue crepe with black accessories. Her flowers were talisman roses fashioned into a shoulder corsage. Her only attendant, Miss Mignon Waggoner, wore a dress of blue crepe with a corsage of American Beauty roses.

The groom was attended by his brother, Jim Davis, of Los Angeles, California.

The couple was honored with a reception following the ceremony in the home of Mr. and Mrs. R. B. Wiar. The three tiered wedding cake decorated in gold and green was topped with a miniature bridal couple. Miss Lois Anderson, sister of the bride, presided at the lace covered table where punch and cake were served. Assisting her were Mrs. H. E. Lawson and Miss Mignon Waggoner.

For traveling Mrs. Davis wore a suit of black sheer wool, with black accessories. The couple left immediately for Santa Anna where Mr. Davis is employed as band director in the public schools. He is a graduate of N. T. S. T. C. in Denton, with a degree in music.

After finishing Hamlin High school the bride attended N. T. S. T. C. during the past year.

Out-of-town guests attending the wedding were Mr. and Mrs. A. P. Davis, of Dallas, Jim Davis, of Los Angeles, Calif., Mr. and Mrs. Luther Logan, of Dallas, Mr. and Mrs. Milton Templeton and daughter,

Carolyn Kay, of Sweetwater, and Mr. and Mrs. Stanley Jones, of Rotan.

## Miss Anita Anderson Gift Tea Honoree

Miss Anita Anderson, bride-elect of Bill Davis, of Dallas, was honored with a gift tea Thursday afternoon, August 21, in the home of Mrs. O. G. Harvey. Co-hostesses with Mrs. Harvey were Mrs. L. E. Griffin and Misses Mignon Waggoner, Constance Teague and Charlotte Dillingham.

For the occasion the home was beautifully decorated with dahlias, zinnias, marigolds and other spring flowers. Sweet peas in shades of pink and orchid were placed at each corner of the lace laid table and marigolds encircled the punch bowl.

Mrs. L. E. Griffin welcomed guests at the door and presented them to the receiving line which included the honoree, her mother, Mrs. V. V. Anderson and Miss Mignon Waggoner.

Mrs. Harvey directed to the tea table where Miss Constance Teague poured punch. She was assisted in serving by Mrs. H. E. Lawson and Miss Joyce Hudson. Beverly Ann Harvey led the way to the gift room where Miss Billy Faye Rountree was in charge. Miss Charlotte Dillingham registered names in the bride's book.

## Bride-Elect Honored With Shower

Mrs. John Howard and Miss Mary Dell Park were co-hostesses, Thursday evening, August 21, when they entertained in the Howard home with a shower honoring Miss Fay La Verne Howard, bride-elect of Paul Hubbard of Los Angeles, California.

Mrs. A. Davis, of Houston, welcomed guests and directed them to the bride's book over which Miss Victoria Crow presided. After registering guests were asked to write a wish for the honoree, and to write a favorite recipe.

Miss Elva Greenway who directed the program, gave an appropriate reading, and then presented Miss Virginia Sue Flowers, who gave some timely advice on the art of being a wife.

Patsy Ann Davis brought in a lovely array of gifts and presented them to the honoree.

Cookies and punch were served as refreshments. Favors were small traveling bags bearing a one-way ticket to matrimony with the names "Fay La Verne and Paul, Los Angeles, California, August 29, 1941."

## TO ATTEND SISTER'S WEDDING

Mrs. Arlie Cassle will leave this week for Waco to visit her parents and to take part in the wedding of her sister, Miss Janet Allbritton, who will be married September 8, to Mr. Billy Cooper, of Waco.

Miss Allbritton is well known in Hamlin, having visited in her sister's home here a number of times. Mr. Cassle will go to Waco later to attend the wedding.

Rev. J. C. Holden and little son Miles, age 11, arrived last Saturday after being in the States since July 28 from Colombia, South America. Rev. Holden brought a native man of Colombia with him. This native can talk only to Rev. Holden and the little son, Miles. Read the announcement of Rev. Holden's lecture at the school building Sunday night.

## NAZARENE CHURCH

Vacations are about over. School will soon be opening, and every body will settle down for a year's work. So let's put the same spirit of devotion into our church programs as we do other forms of service. We will be looking for you at 9:45 for Sunday school.

Then our 11 o'clock worship service will be of value to all who attend.

Our U. Y. P. S. program at 7:30 will be of interest, followed at 8:15 by a sermon by the pastor.

Monday the Abilene Zone Rally will convene with us at 10 o'clock. This promises to be a profitable day with three good sermons at 11 A. M., 2:30 P. M., and 8 P. M., with good music and interesting discussions on vital topics of religion. The topic for the day will be "Holiness and Evangelism."

The following churches will be represented: Mt. Zion, County Line, Sweetwater, Merkel, Abilene, Stamford, Cisco, Buffalo Gap, Ranger, and Eastland.

Lunch will be served to all. Come and enjoy the day with us.

Dan D. Jones, Pastor

## BAPTIST CHURCH

Sunday services will be held as usual:

Sunday School—9:45 A. M.  
Morning Worship—11:00 A. M.  
Training Union—7:15 P. M.  
Evening Worship—8:15 P. M.

We appreciated very much the good crowd who attended church at the Methodist church Sunday night, where your pastor preached in the absence of Bro. Harrell, and we trust that every body present, both Methodists, Baptists and others, received a blessing from the service.

This Sunday is the last in our Associational year. Let us go over the top in attendance to wind up the year in a splendid way. This has been one of the best years in the history of the church, and we do not want it to slump too much right at the end.

H. E. East, Pastor

## Fisher County Church Meets

## POT SHOTS FROM McCAULLEY

BY GEO. DARDEN

One of the greatest assets to this community and to Fisher County is the Texas Cement and Plaster Company, located about four miles north of McCaulley. The Texas Cement and Plaster Co., better known in this community as the Gyp Mill, which employs about one hundred and seventy men, is a little city within itself, with a grocery store, church and a good school. The company has row after row of rent houses which are rented to employees of the mill at a very reasonable price, and every house is painted white which adds to the beauty of the city. The superintendent and manager of the mill is W. R. Calhoun. "Bill", as he is known to most everybody in the community, is a live wire in every respect and is on the go from early until late, and about the only time you will catch Bill idle is when he is asleep. There are a number of farmers working at the mill and when crop failures come the good old Gyp Mill gives them a lift which is appreciated by the workers. If you don't think Fisher County is on the boom—then go over to the Gyp Mill and see for yourself.

The Methodist revival which began Sunday will last for two weeks with Rev. Cecil Tune, pastor of the Trent church, doing the preaching and with good crop prospects and good rains it seems to us that everybody in this community who can, should attend this revival.

Mr. and Mrs. Ralph Bishop and children who have been in Electra all summer, have returned to their home in McCaulley. Mrs. Bishop is a teacher in the McCaulley school.

The McCaulley Boy Scouts returned home Saturday night after a trip to Pikes Peak, and from all reports, the boys really had a time and the trip is one that will never be forgotten.

The McCaulley school opens for business on September 4 and when we hear the school bells ringing, the cotton gins humming we know fall of the year is here.

The Home Demonstration Club women entertained with a grand feed at the tabernacle last Thursday night. Not only did the home folks enjoy the fried chicken and all the trimmings, but a program of comedy acts, tap dancing and a review of a trip to A. & M. by Mrs. Ray Maberry.

Billie Pickron who is in the air corps, stationed at San Antonio, writes his parents that he is about to become an aviator. Billie has already had a few hours in the air and has even taken a plane off the ground and was at the controls for about forty minutes. Thus far, Billie hasn't attempted to land a plane but we are of the opinion that we will be hearing more from another home town boy who has made good.

Rev. and Mrs. C. E. Dick and C. E., Jr., are spending this week in Crosbyton visiting their three married daughters, Hazel, Margaret and Edith.

Mrs. Ted Abbott is in Abilene at the bedside of her daughter, Betty Jo, who is ill in a Abilene hospital.

H. P. Powers, superintendent of McCaulley school, was in Dallas last

week end on business. The McCaulley school has purchased a new and up-to-date school bus which will seat about fifty students. The bus is modern in every way, with red leather upholstered seats, and equipped with a modern heater. Seeing it makes us wish we were a school kid and lived in the country.

W. F. Davison is erecting a 12x30 seed house west of the post office. Luther Adkins is doing the carpenter work.

Melvin Hunter has been acting as postmaster for a few days, while Mrs. Rector was making frequent trips to Sweetwater to see the dentist.

O-O-O-O

While the Red armies of Russia battle to defend their country against the war machine of Germany, whose sole purpose is to destroy every nation, one by one until Hitler is proclaimed the master of the entire universe, and while strike after strike continues by labor agitators, racketeers and fifth columnists in our own United States, is it not time for America to wake up? Production of vital war materials so badly needed now has been halted to the tune of five million working hours due to strikes on national defense projects. How long will America have to wait on the head line hunters to stop arguing and wrangling over the extension of draftees service in the army? Members of congress who try to block every move that our great president makes should be remembered when it comes time to vote next year. Those millions that heard Winston Churchill last Sunday surely realize the fact—that the historic meeting on the high seas was for the good of all of the people of all nations, and that the two great leaders, Roosevelt and Churchill, have met for one great cause and with one determination to forever stamp out Nazism, and to proclaim the rights of every nation to live and let live. Oh yes, the candidates will come back home next year asking for the votes, and they will read from the congressional record their accomplishments but the home folks are going to say, "Why don't you practice what you preach?" And we have heard that old line before, and it will be a good time for the voters to say, "Taxation without representation is tyranny."

A DARDEN-O-GRAM.

### Expression of Thanks

We are truly grateful to all our friends for their loving kindness shown during the illness of our dear daughter and sister and we wish to thank each and everyone for your expressions of sympathy at the hour of death and for the beautiful floral offerings. May God bless you.

# SAFEWAY

Mrs. Sadie Hart of Kansas City, Missouri, is here visiting her daughter, Mrs. Sam Jones and sister, Mrs. Gilbert Bowman. Mrs. Hart has been in Kansas City for a year and one-half and likes there very much, but was glad to make a visit to good old Texas to see her many friends. She also states the summer there has been very hot, with temperature from 104 to 106.

Mrs. Harry C. Dodson was called to Burkburnett Tuesday by the death of a friend, Miss Pansy Mills, who died following an operation for appendicitis. Miss Mills was a recent visitor in Hamlin.

Harry C. Dodson is able to be back at his post in the Herald office after an operation and eleven-day stay in the Hendrick Memorial Hospital in Abilene.

Mrs. J. D. Farrow is visiting her son, Jess McAllister and family in Tuxedo.

Mrs. R. A. Buckner and daughter, Billie Christine, of Lubbock, are visiting her sister, Mrs. W. C. Russell and family. Mr. Buckner, who has been with his mother who has been ill in Mineral Wells, came Thursday for a visit in the Russell home.

Rufe Neal, son of Mr. and Mrs. Glen J. Neal, left last Thursday to begin service in the Marines.

Mr. and Mrs. Clyde Smith and little daughter returned last week from Hollis, Oklahoma, where they spent the summer with Mrs. Smith's mother. While away they also visited in Oklahoma City.

C. J. Adkins, of Brownwood, spent the week end here visiting his sister, Mrs. Delma Shelburne and other relatives.
